O R D E R :

Consequent on the introduction of the modified scheme of Elementary Education the Director of Harijan Welfare has submitted the following proposals:

1) that the midday meals may be continued to be supplied in the Harijan Welfare Schools, even under the modified scheme;

2) that midday meals may be supplied on Saturdays also;

3) that in view of the increased work undertaken by the Harijan Welfare School teachers under the modified scheme of Elementary Education, the number of working days in a week may be restricted to five days in a week treating Saturdays and Sundays as holidays;

and 4) that additional remuneration may be given to the teachers for the supervision of the supply of midday meals to the pupils twice a day.

2. The Government after a careful consideration of the above proposals pass the following orders:

Items (1) and (2)

The Government direct that midday meals should continue to be supplied to the students belonging to the "eligible communities" studying in the Harijan Welfare Schools in accordance with the instructions issued by the Government from time to time even after the introduction of the modified scheme of Elementary Education. They further direct that midday meals should be supplied on Saturdays also subject to the condition that the number of days during which midday meals are supplied should not exceed 220 in a school year.

P.T.O.

Items (3).

The Government agree with the views of the Director of Public Instruction that no special concession need be shown in this regard to the Harijan Welfare Schools.

Item (4).

The Government consider that no additional remuneration need be paid to the teachers supervising the supply of midday meals. The Director of Public Instruction has suggested that it may be possible to provide a meal in the middle of the day in common for the pupils who finish the morning's work and for those who come in for the afternoon's work in the school by suitably arranging the time table. The Director of Harijan Welfare is requested to consider the suggestion for implementation.

3. The additional expenditure involved on account of the orders issued in para 2 above should be debited to "47 Miscellaneous Departments-a-Labour-I.Harijan Welfare Department - (i) Post-War-Reconstruction - C. Communities eligible for help by the Harijan Welfare Department - Education - 3. Office Contingencies and other charges - Other charges". The Director of Harijan Welfare is requested to apply for additional funds if necessary in due course to the respective State Governments.
